- Melvin K Kuriachen

### School Management Committee

The first meeting of the newly constituted School Management committee for the academic year 2020/21 was held on Monday 1 June 2020 .The meeting was virtual on account of the Covid 19 Pandemic.Ten members attended the meeting.The Principal informed the SMC about the excellent results posted by both Class X and XII in the board exams and the members whole heartedly applauded the hardwork and perseverance of the school staff.The Principal drew up a comprehensive plan about the academic calendar and the plan of action.The SMC members were informed about the new members of faculty who joined this year.

The members were also informed about the adoption of Microsoft Teams learning Platform which was adopted after a thorough research as it was found to be learner friendly and easy to operate.Classes were to be scheduled following government directives on class duration etc.There would be no interruption of classes specially for senior classes.Online class was the only alternative to learning this year and the teachers seemed to have adapted well to the new learning platform.The meeting concluded after discussing all matters.

Ms.Shirin Chandy

Secretary
